ASK THE LAWYER: Daniel A. Gwinn, Esq.

SEXUAL HARASSMENT: “My boss constantly makes sexual comments and jokes to me, and it makes me really uncomfortable. She can be pretty vindictive, so I’m afraid to do anything because I need my job. What should I do?”

FIRST AMENDMENT RIGHTS:
“A guy at work talks about his political views in a loud voice in the lunch room, and leaves flyers with derogatory and sometimes inaccurate political information at the lunch table. He says it’s a free country—he can say what he likes in the lunch room because he’s on his own time. Listening to him day after day is making me sick to my stomach. Is there anything I can do about this?”

Check out **Daniel Gwinn’s** mobile-friendly answers to these and **ALL** your legal questions on **Gwinn Legal** Facebook page.
