

Welcome potential new member!
Thank you for your interest.
We are an LGBTQ+ and ally chorus!

How much does it cost to join?

Membership fee is \$100 per season. Plans and assistance options are available. We want everyone to participate!

What does the fee include?

Your membership fee includes sheet music and general operations of the chorus.

What kind of music do you sing?

We sing various types of music including pop, show tunes, choral and acapella!

Do you do choreography?

We include some minor choreography. Our movement team makes every attempt to ensure physical limitations are accommodated

When are rehearsals?

We rehearse once a week on Tuesday evenings from 7-9PM. Additional retreats and sectionals are planned throughout the season.

How do I find out what is going on?

We use Chorus Connection to ensure all members are updated regularly. Members are required to create a profile to access, see calendar of events and more.

What if I can't make rehearsal?

You are expected to attend rehearsals. However, we understand things happen. Attendance can be made up by attending retreats and sectionals. Practice tracks are made available to members to practice and prepare outside of rehearsal.
